Career Objective Seeking to further a career in apparel and/or accessories design.

Experience

Nike Inc.

Jordan Brand: Apparel Designer II, Performance

May 2024 - Present

- Designs collections that cater to specific needs of the athletes through functional details and innovative performance fabrications.
- Creates apparel collections for the brand's signature athletes as seasonal dimensions of the inline offerings.
- Collaborates with footwear designer and other design partners to identify key brand stories for product releases.

Jordan Brand: Apparel Designer I, Women's Streetwear

Apr 2021 - May 2024

- Designed collections within various pricepoints that are aesthetically distinct but complementary with one another.
- Established the aesthetics, key design details, and fabrications of brand franchise items and families with longer market life cycles.
- Collaborated closely with footwear and other design partners to create a cohesive and commercial head-to-toe product offerings.

Nike Accessories Studio COE: Associate Designer

Jul 2020 - Apr 2021

- Designed seasonal color collections for bags in Men's Training, and Nike SB, and socks in Skate, Tennis, Golf, and Jordan Brand
- Provided support for color design and graphic execution for Global Football Equipment
- Consolidated category (apparel & footwear) palettes with accessories-right seasonal palettes to create cohesive, complementary, and contemporary collections without redundancies within the seasonal offerings.

Nike Kids: Nike x Design Apparel Design Apprentice

Jan 2019 - Jun 2019

- Supported both boys and girls team to design, create, and construct apparel concepts for future seasons.
- Designed boys collections and pieces as required by the business through line planning and product briefs.
- Supported Nike Kids team by updating line arts, shared files for a more accurate, efficient, and productive flow in the supply chain.

Mark Schneider Design | Fine Jewelry Designer/Marketing Assistant

Oct 2017 - Nov 2018

- As Designer: Hand sketched and rendered design requests from both retail and wholesale accounts. Modified designs from existing collections based on customers' specifications for customization.
- As Marketing Assistant: Developed local partnerships with various businesses and establishments by offering creative and fresh ideas that would benefit both parties. Researched style and color trends from various platforms including, but not limited to, social media, runway shows, and WGSN.

United States Navy - Reserves | Machinist's Mate, Second Class

May 2015 - Dec 2021

- Updates unit's recall information monthly for a faster, more accurate, and efficient communication outside of drilling periods.
- Boat Engineer Qualified: checks and maintains boat engines regularly to ensure mission success and prevent any mishaps.
- Boat Crewman Qualified: conducts initial pre-underway boat equipment and safety checks for a more efficient and smooth pre-underway evolution.
